

## ICE ETIQUETTE

It is important that skaters know what is expected of them during each skating session.

The Club Executive has set up some rules to help maintain order and to prevent accidents.

### **PLEASE READ AND FOLLOW THESE RULES.**

1. No food, candy, or gum is allowed on the ice surface.
2. Be on time for all sessions.
3. Stroking sessions are paid for with registration. The assigned coach will start on time.
4. Skaters and Coaches should yield to the right-of-way in the following order of priority:
  1. A skater receiving a solo or dance lesson with music.
  2. A skater receiving a solo or dance lesson.
  3. A skater receiving a private lesson.
5. All Skaters are expected to be polite and courteous to other skaters and coaches, while on the ice and in the dressing room.
6. It is a good idea to have a bottle of water available. Leave it outside the ice surface and step off the ice to have a drink.
7. Please ensure that only appropriate music is playing during skating sessions. Coaches get priority for use of the music. All skaters are expected to take their turn and be respectful of other skaters.

If there are any questions or problems please see an Executive member.

**Thank you for your cooperation.**
