Information for parents of skaters in the test-stream

PLEASE READ

For those who are new (and those who are fairly new) to the test-stream:

- Tests are divided into Low (all Preliminary to Senior Bronze dances, skills and free-skates) and High (all Junior Silver to Gold dances, skills and free-skates)
- There are 3 test-dates during the winter season (usually December, end or beginning of February, and March).
- **All High test days are during the day.**
- All tests are put in by your child's coach, 3 weeks before the test day. If a coach thinks a test is not quite ready, the test can be pulled 2 weeks before the test day. After that no more pulls are allowed.
- After tests are confirmed, an envelope will be handed out with the fees for the test. All fees need to be paid in full a week before test-day. If fees are not paid by the date required, your child will be pulled from the test.
- All test fees are set by Skate Canada. Test fees are \$10.00 per test or part thereof. The club charges a small fee for expenses due to judge's cost and ice-time. Club fees are \$10.00 per test, not per skater.
- Test days are on the **bulletin board and/or the website** (www.newtecskatingclub.com). Please check the both regularly.
- The test list (place, date and time of all tests) are posted there as well.
- For dance tests a partner is required. The lower dances can be partnered by a coach, but not all coaches partner dances. If another partner is required (male or female) that partner will most likely have an extra lesson with the skater, before test-day and will charge you separately, unless otherwise arranged with your coach.

PLEASE COMMUNICATE with your child's coach and ask questions, no matter how (un)important they seem.

Any questions, please don't hesitate to contact me.

Thank you for your co-operation.
